

## Re -Increase in school meal costs from September 2022

Dear Families,

I write to inform you that, after careful consideration, the school is having to implement an increase in the price of school meals. We have not increased costs for many years and with the price of food going up with our suppliers we are having to address this to make sure we can continue to provide the excellent quality of our meal service. The price increase will take effect from 1 September 2022. The cost increase means that meals will rise from £2.00 to £2.40 for paying students. The weekly cost will be £12.00

If you pay for school meals please remember to keep your school meals account topped up as meals are payable in advance of ordering. If there is a difficulty in providing payment of meals, please contact the school office as soon as possible.

If you feel you are eligible for free school meals or your circumstances change, please contact the school office.

Yours sincerely,

Rachel Hargreaves  
Headteacher
