Dear families

Transition & Tutor Groups 2022/23

We are looking forward to welcoming new students into Sixth form and enabling our existing students to prepare for their futures.

Staffing has been considered carefully in order to best meet the needs of students in their relevant year group.

_____ will be in _____ tutor group from September 2022.

Transition activities will take place during normal school hours Tuesday 28th to Thursday 30th June. Year 11 students need to go to BPA main school as normal and will be collected by their new tutor team and will return to main site for the end of day.

Existing Sixth Form students should attend school as normal and students who are new to Sixth Form should report to Sixth Form reception at 09:15 each day.

Students are permitted to wear Sixth Form Uniform or their own choice of clothing suitable for outdoors and indoor activities – no jeans, cropped tops or excessive jewelry.

For year 11 students who normally have a school lunch they can choose from the following menu and will have their lunch in the Sixth Form Café as part of Transition.

The students will be supported to make their choices. Please liaise with us if there are any special dietary requests and any bespoke menus as this can be arranged with our Catering staff and tutors.
